

May is Bike Month!

This is a bicycle celebration. There will be lots of coming together in fellowship, riding, and giving back to our community. We will be joining forces with Boys & Girls Club of the River Region to help raise money for the **Chisholm Club's mountain bike training trail**. We want children for many years to enjoy cycling safely. **Feel free to make a tax deductible monetary donations at our website!** Please join us for bike month and bring a friend!
